DEFICIENCIES

8. Physical Resources

Beginning in summer 2011, the program is planning a on a multiyear space programming and allocation process to address the deficiencies noted in the VTR. The program should continue to report on the progress of this undertaking, particularly as related to the relocation of the wood shop, accessibility, faculty offices, studios/classrooms, and existing space/expanded program.

13.26 Technical Documentation

Please continue to report on efforts to address this deficiency, including the use of the Solar Decathlon project as a means of teaching students how to write specifications.

CAUSES OF CONCERN

None.

CHANGES TO THE ACCREDITED PROGRAM

None Listed.

[†] Although an area may be marked "satisfied, no further reporting required," the next visiting team may include in its report its own assessment of the program's response to the deficiency.
