

THE SCHOOL OF CONSTRUCTED ENVIRONMENTS  
AT PARSONS SCHOOL OF DESIGN  
IN COLLABORATION WITH  
THE TRUST FOR GOVERNORS ISLAND

SEPTEMBER 20TH  
4 - 5 PM  
GOVERNORS ISLAND

## PAGGANUCK & LAB AT THE URBAN FARM

### OPENING RECEPTION

FERRY TO GOVERNORS ISLAND:  
3PM FROM BATTERY MARITIME  
BUILDING, 10 SOUTH STREET

LAST FERRY TO NYC: 6PM

Join us to celebrate the opening of two collaborative design projects brought to fruition by the Trust for Governors Island in partnership with Parsons School of Design. Launched as a pro bono design-build studio more than two decades ago, Parsons' Design Workshop has been at the forefront of innovative thinking and community-centered design since 1998. This year, we are honored to add The Lab at the Urban Farm and Pagganuck Pavilion to the already existing and thriving infrastructure on Governors Island.

### PAGGANUCK PAVILION

inspired by the techniques of the Lenape people's longhouses, the pavilion will serve as a solar shading device and add a new iconic visual marker to the Island's landscape

### LAB AT THE URBAN FARM

will provide a POP-UP space for events, workshops and classes as well resource support for non-profits working on the Island
